You train hard and are passionate about your sport. Do you desire to achieve distinction and glory? Have you challenged your own personal ability?

Until now, there has been no local venue where you could showcase your talent. Gladiator Fight Club was created to fill that void, providing sanctioned Mixed Martial Arts events in Southern and Northern Virginia and, potentially, surrounding states.

As President of Gladiator Fight Club, I also work hard and am passionate about what I do. The ever-increasing popularity of Mixed Martial Arts fighting and the absence of an organized local venue provide us an explosive opportunity. I am excited about reaching this untapped market and building a successful and profitable operation.

Would you like to be part of the action? Gladiator Fight Club is in the beginning stages of developing a **Fighter Pool** and is looking for local Ring Girls and fighters. I would be interested in working with you to provide unique and unparalleled opportunities. Each Gladiator Fight Club event will give you the ability to assist in the development of the program through contracting, and will offer advancement through hard work and proven ability. A way to advance your name and develop ranking.

Many opportunities are available in the development of this organization.

With high initial expected attendance, the exposure for both individual fighters and partnered schools is significant. With your help this program has great potential and the ability to advance the sport in the area.

I would be happy to discuss my ideas with you in person or provide you additional information. All ideas will be entertained. By completing the attached form you allow me to send you detailed information about Gladiator Fight Club and answer your specific questions. If you prefer, you can reach me directly at (540)529-8300 or via e-mail at chris@gladiatorfightclubtv.com.

I look forward to hearing from you!

Regards,

Christopher A. McCabe
